- Sponsorship value requested \$1,000.

Bronze Sponsor

- "Thanks" picture for use on social media feed
- Mentioned in concert programmes before and during the tour
- Sponsorship value requested \$500.

Who We Are

The Christchurch Cathedral Choir has sung Evensong regularly since the original Cathedral opened in 1881. The Cathedral Grammar School was established some months before the Cathedral was opened, to train choristers to sing at Cathedral services. This has continued through the subsequent 137 years. The Choir is unique, maintaining an English choral tradition, the only one in New Zealand, and one of only two in the Southern Hemisphere.

The full choir consists of 20 boys and 12 men. The boys audition and serve a probationary period before becoming full choristers. Each chorister spends 16 hours every week training and singing, on top of their educational, sporting and other musical commitments.

Tour Outline

Sydney

Tuesday 25 September – Monday 1 October

Included within this week the choristers will visit St Andrews Cathedral Choir School, St Andrews Cathedral (including participating in the Sunday 10 am Service), St Mary's Roman Catholic Cathedral and Christ Church St. Lawrence Church. Choristers will be given the opportunity to visit the Sydney Opera House, Taronga Zoo and a variety of other iconic venues within Sydney and its environs.

Japan

Monday 1 October – Wednesday 10 October

During the 10 days in Japan, choristers aim to sing in the Tokyo Anglican Diocese Church and preparations are underway to sing with the Tokyo FM Boys Choir. They will travel to Kyoto and hopefully sing at St Agnes Church. We have been invited to participate in various celebrations, including a formal dinner of the 45 Year Anniversary of the sister city relationship between Christchurch and Kurashiki in Japan. Choristers will also get to visit Hiroshima and learn of its importance in our history.
